

# Bike Storage on Campus

McMaster University

## BIKE STORAGE ON CAMPUS

### PREVENT BICYCLE THEFT

- Record your serial number
- Save your receipt
- Engrave your driver's license number on your bike frame. Free engraving is available through MACycle
- Lock bike to bike racks only
- Use two bike locks
- Watch for suspicious activity around bike racks
- Report suspicious activity immediately to Security

### LOCKING YOUR BICYCLE

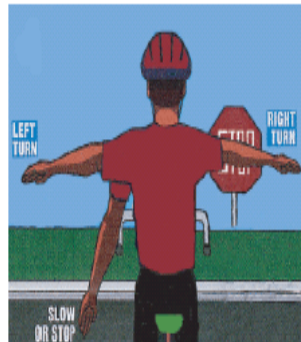

**BICYCLES MUST BE PARKED IN BICYCLE RACKS!**

They are not to be locked to or leaned against hand rails, trees, or other features of the university landscape. They are not to cause damage to University landscape or property, interfere with pedestrian or vehicular traffic, or work responsibilities of University employees. Bicycles found in violation are subject to ticketing.

Fill your bike lock as much as possible. This helps prevent theft as tools are difficult to be used on your lock.  
Use more than one style of good quality bike lock. Thieves usually only carry one type of tool.

### Bicycle Safety

Bicycles are recognized as vehicles under the Highway Traffic Act. All traffic regulations that apply to motorists apply to cyclists.

### Bicycle Fines on Campus

Contravention of rules of the road	\$25.00
Failing to obey regulatory sign	\$25.00
Fail to yield right of way to pedestrians	\$30.00
Locking bicycle to location other than bike rack	\$25.00
Operating bicycle on sidewalk	\$25.00
Speeding	\$25.00

### Secure Bike Storage on Campus

Located on the west side of Chester New Hall, the Secure Bike Storage facility features video surveillance and swipe card access. This is available for \$5 per semester.

### CycleSafe Bike Lockers

McMaster maintains 18 CycleSafe bike lockers available for rent. Rentals are \$40 per semester, \$100 for 12 months. The lockers are located at multiple sites around campus.

Those interested in obtaining space in either facility can apply at McMaster Parking Services located in the E.T. Clarke Centre, behind the GO transit terminal.
