

Operational Changes to Shuttle Bus Service

Parking Services will be reactivating the West Campus Shuttle Bus service effective Monday July 6 2020. The shuttle will be running on the Summer Schedule, July 6 to August 31 6:30am to 7:00pm Monday to Friday. There will be constant service within these hours.

Precautions for our parking customers utilizing the on campus shuttle will include:

- A protection zone between driver and passengers
- Passenger capacity levels will be introduced to maintain social distancing with limits set at 15
- Boarding and disembarking process with signage posted on the doors
- All Shuttle bus drivers have received PPE training
- Shuttle Buses will be cleaned daily prior to entering service with special attention given to frequently touched surfaces.
- It is highly recommended that you wear a facial covering at all times on the shuttle.

If you are experiencing any symptoms or you think you were exposed to COVID 19, please do not use this service and get tested
