

Fall 2022 Student Parking Update

Parking passes are limited, and applicants are encouraged to purchase as soon as possible after sales begin.

Returning Students that held a Lot M parking pass in the 20/21 Academic Year

Early Sales for those that held a parking pass (\$51 per month) in the previous academic year will begin on Friday, July 1st 2022. Your transponder from the previous year can be reactivated for Fall 2022 and you will not need to attend the parking office and pay for a new transponder.

New Students or those that did not hold a Lot M parking in the 20/21 Academic Year

Sales for those that did not previously hold a parking pass (\$51 per month) will begin on Monday, August 1st 2022. Once you have set up your account and paid for your permit and transponder (one time non refundable fee of \$55) each, the transponder will have to be picked up at our office in T32 (located between lots N and P in west campus. T32 is the portable adjacent to the daycare)
