

PARKING SERVICES IS MOVING FROM ETC 102 TO T32

Parking Services is moving to building T32 Room 106 (building adjacent to the McMaster Children's Centre). The ETC Office will be closed starting Friday October 11th and will reopen on Tuesday October 22nd at its new location in T32.

In Person Lost and Found services will not be available during this time. Any inquiries may be directed to seclost@mcmaster.ca or extension 24281.

The Campus Store parking office in the basement of Gilmour Hall (GH B101) will remain open during the closure for the move of the ETC-102 office to T32-106. All parking related services are available at this location.

Drivers are encouraged to update account information, purchase term permits or pay tickets online @ parking.mcmaster.ca.

Visitors to Parking Services at T32 should park in lot P or lot M. There is no charge for a visit 15 minutes or less. If attending Parking Services, drivers should not park in the daycare lot as children are present.

Parking Services will stay in this temporary location as a short-term strategy, while work continues on a long-term solution to house both security and parking services together in a central campus location.
